JK column

Hello again, welcome to you and our visitors from Burnden Park. No doubt Bolton Wanderers will have a fair following with them this afternoon especially as they are at present lying in second place in the League and only failed to qualify for the Football League Cup Final last Tuesday.

It was very pleasing to see last Saturday that we broke our duck for the year in recording our first win of 1977. We have waited a long time for this, but ironically we did not play as well as we have recently, particularly in the games at Luton and Southampton. Still, that is how it goes — you play well and get nothing, and you do not play so well and gain the points. Having got a break very early on in the game with the two goals inside four minutes, I felt we should have capitalised on this and played far better than we actually did. It appeared that we were unaccustomed to the breaks going our way and tried to make sure that we did not lose this advantage. We wanted too many touches of the ball instead of playing good early balls with much more unselfish running and involvement. John Hickton's first goal for us was well worth waiting for and I hope we shall see another today.

I have in the back of my mind our visit to Burnden Park in September, and we must try and get revenge for that result and dent their pride this afternoon as they did to us on that

wet, miserable afternoon. On that occasion we played far better than the result showed, and we did not get the trouncing the scoreline suggested.

The Millwall result was a little disappointing as naturally I was looking for two points. I thought they were a well-marshalled side in defence and had certainly come here for a draw. Nevertheless, I considered it a good and interesting game, if not an exciting one for the spectators. I also felt that we did a lot better than against Carlisle as we had more movement off the ball with good approach work and an improvement in our passing. We closed people up tighter and faster, but unfortunately did not do anything or create much where it matters — in the penalty area.

The Reserves are going through a lean spell at the moment having only picked up one point from the last five matches: they have also started missing chances up front. Against Doncaster the other week we lost by the only goal of the match. The game against Sunderland saw very experienced opposition, the Tigers finally going down 2-0 after missing a penalty and plenty of chances to at least equalise.

I hope this afternoon that you will see us maintain our goal scoring knack which we regained recently and that we can enjoy the sweetness of success and revenge against my old pal Ian Greaves and his team.

Even if they do not gain promotion this season (and at the time of writing there seems little to stop them) Bolton Wanderers have brought great credit to Division II by their League Cup exploits and they could in fact be looking forward to a Wembley appearance by the time you read this, having put out Derby County at the Baseball Ground before taking on Everton in the Semi-final.

Having drawn in the first leg at Goodison, they tuned up for the second leg at Burnden Park last Tuesday by hammering Notts County 4-0 last Saturday. Only Blackpool (who gained a shock 3-0 win) and Nottingham Forest (who forced a 1-1 draw) have taken any league points away from there this season, whilst on their travels Wanderers have won at Carlisle, Southampton, Sheffield United and Fulham.

When they beat us 1-0 almost a year ago at Burnden Park, they were in top position in Division II, but from then on they won only one of their next nine games and dreams of promotion faded when their F.A. Cup exploits, in which they took Newcastle to a second replay in Round Six, seemed to take its toll.

In the light of this experience they should be, therefore, all the more able to cope with the promotion run-in this season and so complete the rehabilitation that began under Jimmy Armfield with the Division III championship of 1972/73 and has been continued under Ian Greaves since Jimmy's move to Leeds.

When Wanderers slipped out of Division I in 1964 they ended a spell of nearly 30 years in Division I and up to then they had spent only seven seasons out of the top league after being one of the twelve founder members in 1888.

Though they have never finished higher than third in Division I, they have won the F.A. Cup on four occasions, the first being in the never-to-be-forgotten first Wembley final in 1923 and the most recent in 1958 when Nat Lofthouse got the controversial second goal against a Manchester United side decimated by the Munich air disaster.

They may not have a Lofthouse in the side today, but they can still score goals with fair-haired Neil Whatmore leading the way with 17 goals to date and new discovery Steve Taylor also in double figures. Steve got two in the 5-1 win over us in September, as did central defender Paul Jones — one of the outstanding Division II players over the past few seasons.

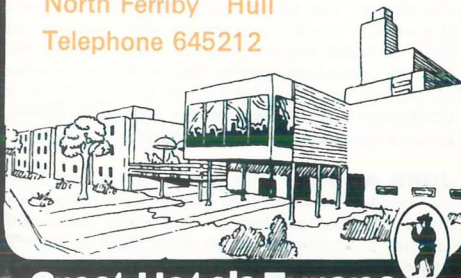

Peter Thompson, the flying winger who was a star of the Liverpool side of the sixties, got the winner against us in the game at Bolton a year ago and is still a member of the first team pool, as is Hugh Curran, the much-travelled Scottish international. All of which makes today's visitors one of the most talented sides in Division II.

After the match

Come and see us at the *Crest* for a drink, a meal or just a coffee or stay with us like most visiting teams, we have plenty to offer and are the ideal rendezvous.

Pen Pictures of the Trotters

JIM McDONAGH. Joined the Wanderers at the start of the season on a month's loan from Rotherham United. Impressed, and was signed for a £10,000 fee as cover to Barry Siddall. He got an immediate promotion with the transfer of Siddall to Sunderland. Jim is not tall for a goalkeeper but makes up for this with agility, bravery and a very safe pair of hands.

JOHN RITSON. Club skipper, John was born in Liverpool and came to Bolton from schoolboy soccer. Graduated through the junior sides and is now a strong defender who likes to attack down the flank.

TONY DUNNE. Ire international who played for most of his career with Manchester United. Was a member of the European Cup winning side and since coming to Bolton has proved to be a favourite with the fans.

ROY GREAVES. Roy has completed 10 years with the Wanderers and had a testimonial game in the close season. He is a non-stop worker in midfield and is one of the few players to come from the Bolton area to join the Wanderers.

PAUL JONES. Paul is another player who has been called on by England boss Don Revie to join the Under-23 squad — last season he had a trip to Budapest with them. He is a commanding player in the middle of the defence and is very good in the air.

SAM ALLARDYCE. Sam is one of the "finds" of last season. It was his first full season and he emerged as an outstanding defender and was voted "Player of the Year" by the Wanderers' supporters.

WILLIE MORGAN. Started his career with Burnley then moved to Manchester United for a big fee. He returned to Burnley and was signed by the Wanderers towards the end of last season. A Scottish international and member of the last World Cup squad.

NEIL WHATMORE. Strong attacker with a flair for scoring goals. He hit 13 goals last season to become the club's joint top scorer. Is good in the air.

GARRY JONES. Manchester-born Garry had his best season for some time scoring 13 goals. He is a strong running attacker who has the ability to put pressure on defenders.

PETER REID. Another young player who came to the fore last year. Peter was discovered playing for Bolton schoolboys and graduated through the junior sides to win a regular place in the first team. Reads the game well and is a fine passer of the ball.

PETER THOMPSON. Peter is the former Liverpool and England winger who has won most of the honours in the game. A very tricky player, he is another player who is a firm favourite with the supporters.

STEVE TAYLOR. Born near Oldham, Steve got his first team chance this season mainly due to injuries. But he seized the chance well, quickly becoming the club's leading scorer. He is a strong, aggressive player who is good in the air. Has a good turn of speed also. Steve joined the Wanderers from school and graduated through the club's junior sides.

MIKE WALSH. Mike is Manchester-born and joined the club from school. He has yet to win a regular place in the side but is equally at home either in midfield or at full back.

Insider . . .

(information supplied by the 'Three Droogs'
Jeff Wealands - Malcolm Lord - John Hawley)

Hello everybody and welcome once again to Boothferry Park. We hope you have enjoyed the football this week; the game against Carlisle, if not a classic, was certainly eventful and we hope entertaining. It served to show how much luck can decide a game — we had it running for us in the first five minutes in a great torrent and although the result would probably still have been a win for us, it helped to produce a good result. At the time of writing we have still to play our match with Millwall and Bolton theirs with Everton and we hope that the right results are forthcoming for both we Tigers and the Wanderers.

Not only are the Wanderers still in the League Cup, but they are also flying high in second place in the League, so it is a good game for us to win. They play very entertaining, attacking football, we hope to repay them for the 5-1 loss we suffered at Burnden Park earlier on in the season, so the game will no doubt provide you with plenty of exciting action.

At the moment, we must all be looking for excitement at this level in order to lift the gloom shrouding us since the International last week. Watching this game, we were struck by how the Dutch players looked more at ease, more lithe and lissom on the ball than our players, which is something we have long recognised and admired in coloured athletes.

Much has been made of the greatness of Johan Cruyff and everyone points out how much better he is than any of our players. He is recognised as one of the world's best footballers and is in a class of his own. There will always be players who stand out from the pack, and it is just not possible for one nation to have a monopoly on these. Cruyff is really the first player to emerge from Holland, in this class; we have

seen various other countries produce people like Pele, Di Stephano, Puskas — the list is long and we as such a small nation have produced our fair share in the shape of Finney, Matthews, our own Raich Carter and other players in their time were truly world class and we are justly proud of them.

It is certain that our nation and our highly competitive league will spawn new super stars, whether or not they are among the young players of today or the future remains to be seen, but it is sure that they will emerge to lead us again.

RESERVES ROUND-UP

On Tuesday week we played a star-studded Sunderland side. For the first 20 minutes Sunderland dominated the play and should have scored in this period, but the Tigers had one move which was sheer poetry in motion and was started by Jeff Hemmerman, helping back in defence, who got the ball away to full back McGifford. Then followed one-touch football involving four or five players and culminating with a Vinny Grimes shot bringing the best out of Montgomery to earn a corner. It was shortly after this that Sunderland broke away and scored. In the second half the fine football from both sides continued, but unfortunately it was Sunderland that were destined to score, a weak pass from our defence being cut out and finished with a Foggon volley from 25 yards. We kept battling away, without taking the chances offered and to cap our tale of woe, we were awarded, but missed, a penalty. Even a magical run by Jeff Hemmerman down the left, only resulted in another chance squandered. All in all this match proved that if you do not score goals you will not win, no matter how well you play or how determined you are.

This week saw our visit to Field Mill, Mansfield, for a very drab goalless draw. In the first half there were one or two enterprising pieces of football when we had a couple of opportunities to score, notably when a defender blocked a Vinny Grimes shot on the goal line following good work by Dave Stewart. The least said about the second half the better as it tottered on the brink of boredom and the only good thing that was seen was the progress made physically in both Vinny Grimes and Malcolm Lord, who were having a further run out after a long absence through injury.

JUNIOR JOTTINGS

Last Saturday saw us visit Oakwell, Barnsley where the few spectators present were entertained to the best game seen at Barnsley for many a year. Although the final scoreline of 3-2 went against us, we really had only ourselves to blame. After working so hard it was a great disappointment to see three defensive mistakes produce three unnecessary goals. The first two were very similar in as much as both were scrambling affairs, but having said that, we had plenty of time to get the ball away. The third goal resulted from a bad goal kick from Neil Scutt which went straight to the centre forward, who had the easiest opportunity to score, which he took. On the credit side we worked hard for each other, moving well off the ball, which showed the maintenance of the general all round improvement of these youngsters. This was evidenced in the manner in which we scored our first goal. The move started with Dave Hawker in the inside right position hitting a cross-field pass to outside left Chris Hartley who beat two men before cutting inside to play a through ball between the two centre backs for Rod McDonald to shoot hard and low into the far corner. Our second goal resulted from a move involving Colin Moody, Gerry Collins, Chris Hartley and Rod McDonald enabling Colin Moody to go on the overlap and finish with a perfect cross which Craig Norrie headed home at the near post. We were unlucky in the last five minutes to have a goal disallowed when Gerry Collins headed the ball into the net only to find that Craig Norrie was ruled offside, even though he was not interfering with play. The Barnsley manager, Jim Iley, came into the dressing room after the game to congratulate our lads on a fine display of open football. This was a very nice gesture which summed up the feeling of the game, but was small consolation for the result.
